You chill, we'll grill

As with all of the events we cater, we highly recommend hiring a **pitmaster** to grill if you are having a BBQ & additional staff as needed so you may relax & be a guest at your own party.

Pitmaster: An experienced barbeque cook, a skilled craftsman, who watches over the grill & can tell by sight, sound, smell & touch, if it is running too hot or too cold, when it needs fuel, when to add wood, when to add sauce & when the meat is ready.

Pitmasters will handle all of your BBQ grilling needs. Our professional barbeque pitmasters are skilled in their craft & watch over the pit ensuring a sizzlin' a grillin' & a chillin' experience. From marinated steak to succulent fresh local corn or simply hamburgers & great dogs, our staff will deliver a hot-off-the-grill, one of a kind event. Our guys know when to season & when to serve. Be a guest in your own backyard.

"The qualities of an **exceptional "BBQ" cook** are akin to those of a successful tightrope walker: an abiding **passion** for the task, **courage** to go out on a limb & an impeccable sense of **balance**." -Bryan Miller, *New York Times Restaurant Critic*
